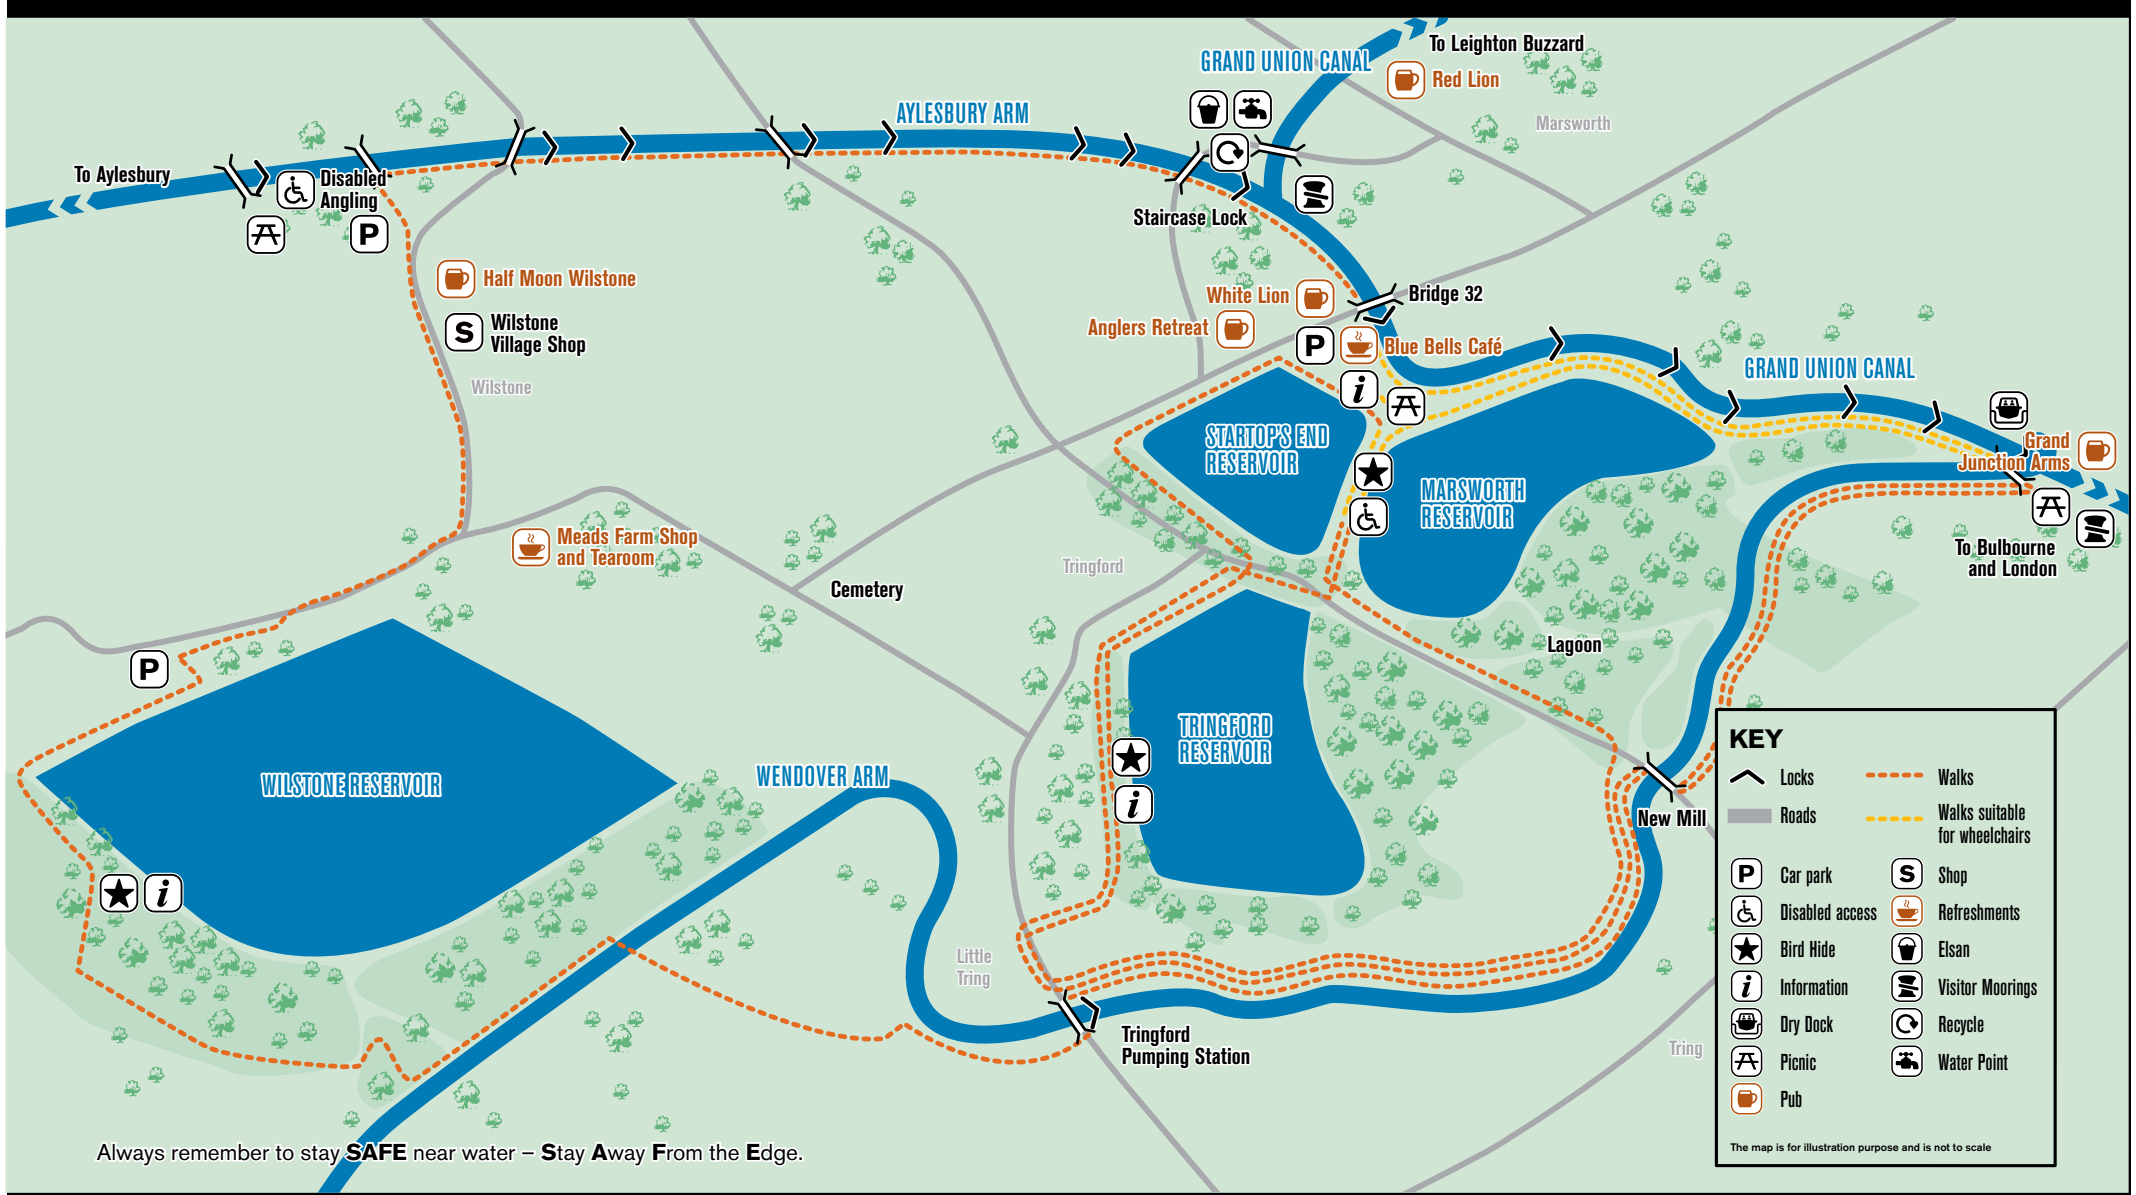
WELCOME TO TRING RESERVOIRS



Always remember to stay **SAFE** near water – **S**tay **A**way **F**rom the **E**dge.

With wonderful wildlife and scenic strolls, brilliant boating and fantastic fishing, Tring Reservoirs and the Grand Union Canal are a delightful discovery just waiting to be made.

A great place to visit for....

History & restoration
Tring Reservoirs offer a fascinating insight into our industrial heritage. They were built in the early 1800's to supply water to the canal network, an important function they still perform today. Tringford Pumping Station, opened in 1818, continues to pump water to supply the canals. For a glimpse of restoration in action, take a stroll down the Wendover Arm Canal. www.wendoverarmtrust.org.uk

Wildlife & bird-watching
Set in acres of precious wetland habitat, Tring Reservoirs are a rich natural haven for birds and wildlife. The reservoirs are very important, particularly for wintering water birds. Grab your binoculars and see what you can spot.

Walking and fishing
Our way-marked trails will help you explore Tring Reservoirs. You could take a short walk around one of the four reservoirs - or explore all four. For Fisheries information please contact 01908 302500.

Boat trips
For a taste of life afloat you can hire a small craft for a day's outing, join a pleasure cruise or enjoy a week's narrowboat holiday. For details of local hire boat operators call 01908 302500 or visit www.waterscape.com

A bite to eat & drink
Tring Reservoirs are a great place for eating and drinking, by day or night. The Reservoirs and canals are ideally situated for refreshments, with five pubs and two cafes all within easy reach. You'll find a good choice of food and friendly atmosphere, so why not relax and enjoy the picturesque scenery or take advantage of the site's picnic areas'.

We hope you enjoyed Tring Reservoirs. Why not plan a visit to Stoke Bruerne on the Grand Union Canal in Northamptonshire. Visit stokebruernelocks.com

Have a safe and enjoyable visit
Be particularly careful around the locks and please help us to take care of Tring Reservoirs by taking your litter home, keeping dogs on a lead and cleaning up after them.

Discover the Waterways

Whether you want to go boating, cycling, canoeing, walking or angling, the waterways make a refreshing backdrop to any day out or holiday. Once you have worked up an appetite, why not relax and enjoy a good choice of food and drink at a waterside pub and enjoy picturesque canalside views.
